Robert H. Willis

April 2, 1972 ~ April 14, 2020 (age 48)

Robert H. Willis Jr., 48 , of Glen Burnie, lost his extremely courageous fight with Cancer at the Hospice of The Chesapeake on April 14, 2020. Rob is survived by his Mother, Debra LeRene Gosnell; Father, Kenneth Allen Gosnell; devoted fiance, Rachel Erinn Szymanski; beloved daughter, MacKenna Laiken Szymanski; Loving Uncle Danny Myers; Caring Step Father to Leah Michalah Szymanski and Rielly Scott Szymanski; Amazing God (Grand) Father to Zain Michael Wolf; And a host of nieces, nephews and cousins

He was born in Baltimore, MD to Debra Willis. He attended North County High School. He started out riding dirt bikes at a young age and thrived on the fact he had no fear while on one. He also loved to work on cars and could fix anything that was wrong with one. Everyone who knew Rob, related him to his infamous Blue Mustang 5.0. He was always known for his passion for life. That which he passed on to anyone whom he was around. He also loved fishing, whether he was catching the big one, or telling about the big one that got away. He was definitely a true fisherman! As he was a hunter. Starting

from young age. Hunting deer, ducks, goose, etc. He loved to be outside. As he got older, he did not want the little hunt. He wanted the big buck. And ultimately, he got it.

Rob will be greatly missed by many.

Services are private. The family will host a Celebration of Life service at a later date. In lieu of flowers donations may be made to Hospice of the Chesapeake.

“ Never will stop missing you, or love you. This world is a cruel place full of greed. At least you have your Mom and Dad with you. Although MacKenna and I know they're disgusted at what has transpired. Karma will come, as you know. Keep resting, we are ok. You did all you could for us and we love you for it! You and your parents were the best thing to happen to MacKenna and I! She struggles at times, but we all do. She knows you are out of pain and always with her. Keep watching over her and Rielly. He misses you so much also! You would be proud of him, never any trouble. Unlike you lol Forever in all our hearts and lives. It's never goodbye, just until we see each other again.
