“Dad, Rocky and I love you and miss you so much. I am comforted knowing you are no longer struggling and in heaven with Mom, your parents, Bill. and all other family that were happy to greet you. You were always loving, kind, easy-going, supportive and helpful. You didn't get upset, raise your voice or complain. I've always admired and appreciated those traits. What a great role model. You and Mom were so loved and wonderful parents to the four of us "kids". We have been so blessed. Thankfully, we have so many happy memories to cherish. I visualize you playing the Penny Game, Rummikub, and other games, with so many loved ones, reminiscing and laughing about fun times. We will all be together again in God's time. Love and prayers always until we are reunited. Sandy Hansen
