“ Lee, We are all in such shock I can not believe your gone. This is so unreal. I just talked to you and you were fine you told me you were great. and then 2 days later your gone. I am so glad I called you and bugged you a few times a week. I am going to miss talking to you. I love you so very much Lee. This just can not be real. I love you.

“ Lee, I cannot believe you are gone . All these memories keep running through my head. I am so glad we have talked a lot recently. I know that you knew how much I love you and how proud I am of you. You always made sure to tell me that you love me too. I will love you and miss you forever. Donna, Amy, Matt, CeCe and Maddie I am so sorry for your loss. I know all of you are in so much pain. Lee loved all of you with all his heart. I love you all very much and I wish I could take your pain away. You all were blessings in his life .
