“ *The thing I like the most about you was the fighter in you. Wish we could of made up sooner and we could of had some good times. I remember all the conversations we had. See you again my friend, watch over my sister*

James Warnick - January 26, 2022 at 08:45 PM

SK

“ When we first met, Ron seemed like a rough and tumble guy. But once we got to know him, he was a really nice guy and a good friend. We watched him grow in spirit and faith. We will truly miss him and think of him in days to come. May God continue to keep you in the palm of his hand. And give your family his peace.
