“ *R. Those sparkling blue eyes, your gorgeous smile and the laughs you shared with everyone. You've been a part of my family for decades, you touched us all with your beautiful soul and the love you shared. You will be missed, my friend. May you be at Peace. For you, I quote the Raven....Nevermore Deepest condolences to your family.*

“ *My heart breaks for you Miranda. I loved your Dad. Russell was a complicated man but was the type of person that would do absolutely anything for someone he called a friend. He had a truly good heart and will be missed very much. I treasure the memories of our times together.*
