ME

“ every girl needs a mother; i miss you so much mama.

meadow - March 01, 2025 at 10:48 PM

BA

“ When you left a big piece of me left also you were the best thing that has ever happened to me when I first laid eyes on you on march 8th 2018 I knew that one day you would be mine but when you had to leave to get your self together I thought I would never see you again but when we got back in touch with each other again you had a very special someone and that someone was our beautiful smart full of energy loving caring daughter Emma my babygirl you've been through a lot and I've been through a lot and that's what connected us people will never understand the love and bond that we shared and I'm glad that I got to spend seconds minutes hrs days weeks months and a year with you I wouldn't change it for anything you've inspired me in so many ways and I want to thank you for that you are my wife and always will be and like I always told you I don't want or have any desire to be with anyone but you blessing we both were in the hospital fighting they didn't think that I would pull through but from the grace of God I did I went into the hospital the Sunday when I last saw you because I got COVID and I didn't get out of the hospital until a week before my birthday my phone got lost in the process of me being in the hospital and when I finally got a chance to call you you never answered and now I know y I'm lost with out you I can't sleep eat or anything I'm seeing a shrink twice a week I'm just not the same because my bestie is gone but I promise you that I'm going to be in baby girl Life and be the best father ever so this my number for the boys as you use to call them so I can start a relationship with our beautiful daughter I love you then now and forever I still can't believe this it feels like a dream I got so used to seeing you now I always see you every time I close my eyes and see your beautiful face I love you Rithanna Blessing hartloff Allen but if anyone reads this make sure you give my daughter my number please because I can't imagine how she is feeling if it's anything how I feel 4438917650
