“ To Ryan’s mom Martina I am so sorry to just learn of his passing my goodness I didn’t expect to see this. One memory of Ryan that always sticks with me is the time I had to baby sit him he must’ve been 11 at the time but he was a goofy little kid with endless amounts of energy and your typical “boy toys” BB guns were his thing at this time. The last time I had seen him was at his fathers viewing I was pregnant at the time and couldn’t stay long so our interaction was very brief, once again Martina I am so sorry if your loss and I hope one day you can heal. Sending my deepest condolences to you and his siblings James and Sean.
