“ Dear Miss Sandy, You were always so nice to me! Allowed me to come over often and I remember you and Lisa made me crepes for the first time! I also remember having spaghetti with broccoli in your kitchen. I loved coming to visit with you and Lisa & Michelle ! You were a great friend to my parents- we have thought about you many years! You will be missed !

“ We were friends way back then and we remained friends for nearly 60 years. I can't imagine my life without you. I loved you like a sister. We had so many good times and so many laughs together. You were always there for me and I hope I was always there for you. My heart is broken but I know I will see you again. Until then, I will miss you terribly.

“ Prayers to you all. We will miss Sandy greatly especially when we go to play Phase 10 and pick up sticks. We always laughed a lot and had a great time with her. She was always smiling and laughing.

“ Grams, Gisela, Samuel, and I miss you dearly. I have so many fond memories with you from making cardboard box cars, cabin camping, and day trips filled with fun, laughter, and many U turns. I wish we were able to get together one last time for rootbeer floats. Samuel loves the toys you got him for his birthday especially that bear pillow. We will keep your memory and all the great times alive in our hearts. And it makes me happy knowing that Samuel's guardian angel is you. I love you Grams!

“ Mommy and me at one of the many backyard cookouts at our mom mom and pop pops. I always wanted to be curled up with on her lap. She raised us to be a very affectionate family. I will deeply miss her and her hugs.
