“ Scott, I'm happy to say I spoke with you and seen for like an hour on Monday, had I known it would be our last conversation, I would of talk to you forever. You were a good guy, always had an answer and could make me laugh all the time. I will miss the random text, the random phone calls, the “Jaime, Scott from 1608 can't reach on your cell, he's on 30.” I will forever cherish the years I knew you. Rest Easy, Scott!

“ I met Scott a couple of years ago while managing another store. There were several occasions where I reached out to Scott to help with securing items for my customers or to cover shifts at my store due to staffing issues. In each and every case Scott was always accommodating and went out of his way to help in any way he could. He would regularly stop by the store just to visit with the employees and always asked if we needed anything. Scott always had a positive attitude and loved to laugh. He was a really nice guy in every sense of the word. He touched many lives and to say he will be missed is a tremendous understatement.

IWe both would reach out to each other one numerous ocassions when either one of us had a question about work. I will miss our time together and just being able to see him and laugh with him.. I am so lost for words. I wish I could go back and help him one last time.
