

Scott Alan Smallwood

November 10, 1969 - June 6, 2021

Scott passed away at the young age of 51 at the Hospice of the Chesapeake in Pasadena MD where he was by the grace of God resting comfortably. Scott was surrounded by loved ones throughout his final days.

Scott is survived by his daughter Alexis, son Jake, father Gary Sr, brother Gary Jr, ex-wife Gina, stepfather Glenn, several niece's and nephews, many cousins, aunt's and uncle's.

He was preceded in death by his mother Joyce in February of 2021. His wife, Christel, tragically passed away on June 10th 2021 just days after Scott passed.

Scott attended Glen Burnie High School. Scott proceeded to work in the construction field where he became very skilled at his craft. He held positions such as Superintendent where he overlooked big jobs with big crews. Scott specialized at concrete restoration that included the sides of tall buildings. Scott also ventured into the business of restoration of homes with his mother Joyce and stepfather Glenn. He thoroughly enjoyed the satisfaction of restoring homes.

Scott grew up in Glen Burnie, MD and always talked about the great childhood he had and how he maintained those childhood friendships throughout the

years.

Scott played youth sports that included Harundale baseball where his father Gary Sr managed his teams and he played football with his brother Gary with the Gridiron Rebels.

Scott had a captivating smile and a typical Smallwood laugh that one would always remember. Scott also loved to dance and just having fun with family and friends in general. One of his favorite pastimes though was chasing firetrucks, ambulances and police vehicles to see where the action was.

Scott will be dearly missed, but we must take solace that he is no longer suffering and is in the hands of the Lord now. Goodbye for now Scott, but we will see you again. Rest in Peace.

Memorial to be held on June 24th at 4 PM and the service at 6 PM at Orchard Beach Community Center (1000 Hilltop Road, Orchard Beach, MD 21226).

“ We were friends from Junior High to dating late teenage and young adulthood years of our lives. We had lots of ups and downs and in the end had to go our separate ways. We both found our happiness in other places. Here are some older memories. I am grateful to have known you and your wonderful family. And I know you will always be looking after them from above. I truly hope you are at peace. RIP Scott. Prayers for your family through these difficult times.

“ I'll never forget the best New Year's Eve party we decided to crash at a fancy hotel-spur of the moment. We just walked right in there. People dressed to the nines, Champagne, lots of dancing, piano music, dj, balloons falling from higher floors-so classy and fun. Save a dance in heaven for me. -Gina
