“ I miss you so much. There is so much I wanted to talk about. I wanted you to be there to watch me walk across the stage when I graduate and to have you see my start my own family. I wanted you to be there for it all. But things happen for a reason. You left and I never got to say goodbye. I know I wasn't the best at telling you I love you but I know you knew I meant it in my own way. I miss you so much. I love you and I wish I could have got the chance to say bye because bye means I'll see you later and goodbye means forever. This isn't forever this is just I'll see you later.
