

## Shelby Dilley-Anton

February 12, 1966 - September 18, 2019

H. Shelby Dilley-Anton crossed the veil to be with her parents Sonia and Sherman Dilley and ancestors September 18th, 2019. Her compassionate and loving spirit is carried on by her wife and son, sisters, brother, nephews, nieces, extended family relations and friends from all walks of life. We were blessed by her creativeness from quilts to poppets to jewelry to walking sticks and even a book or three. Shelby gladly tried her hand at anything and everything. She enjoyed her family and her friends and being outdoors as much as she enjoyed video games with her son. Many of us heard "It's just a passing shower." Then would sit in the rain while Shelby made us laugh. Shelby had an open and loving heart and would gladly offer hand if she was needed. Remember her when the snow storms rage and look like they'll never end. Remember her when you're planting in your gardens. Remember her when you're swimming or reading a book. She loved her life and fought for every moment of it. Remember her love and bravery and let it bolster you in this time of loss. 53 years is too short a time to have with such a beautiful soul. A life celebration will be held at Gunpowder- Hammerman Beach, 7200 Graces Quarters Rd, Middle River, MD 21220, Saturday, October 12th from 11 to 1 p.m. bring your favorite memory and a dish to pass.

“ *Shelby was truly an amazing person. I always loved talking to her and hearing her stories while waiting at the bus stop for our kids. She welcomed my kids with open arms and would always look out for the kids in the neighborhood. It was a blessing to know her.*

“ *Shelby was a warrior for those she loved. May that spirit continue to give you and your son strength and peace. Your beautiful family of three has not diminished, but has changed a bit. Her memory is part of you and Jalen every time you laugh, or take a walk, or embrace the winter wind. Love you, sis.*

“ *Shelby was a woman who stood tall and proud. Nothing would ever change her mind if she was set on something. I've loved her since we were 16 years old. My best friend my sister. I will always cherish the memories the talks and yes we had a lot of them. I will always cherish the woman who stood by my side when things were tough and abit crazy and I will miss you dearly. Watch over Kelly and jay Love you , Kelly*
