“ Shirley was one of the most wonderful friends I have ever had and I will miss her dearly. I believe Shirley was put into my life by God. Shirley has brought me closer to God and she has made me realize the importance of being a good and giving person. Shirley has received many miracles in her lifetime. I have prayed for her and have seen firsthand the power of prayer. \r\n My wife Maureen and I would get together with Shirley and Evelyn at their home in the Uniontown mountains next to Nemaocolin Woodlands Resort. Shirley was always so kind to us and would even have us come to her family reunions. I will always cherish the time I spent with her. She was a very positive person that would make you laugh so hard your stomach would hurt. Shirley always shared her amazing pet parrot stories with us - the most incredible parrot story being the one when her parrot flew out of her home in Baltimore and was found one month later by her son Steven and Evelyn in a garage that repaired cars a few streets away from her home. Her cat Bo-Jangles was a very interesting and mischievous cat. Shirley and I would laugh for hours just watching Bo-Jangles play in the living room. \r\n My wife and I will deeply miss Shirley but will always remember the times that we shared and the memories that we have made. We are grateful for the time we shared with Shirley an amazing woman that had a very deep relationship with God.
