

Sophia Spyros Rozakis

May 15, 1932 - June 24, 2023

Sophia Rozakis, spouse of Spyros A Rozakis is survived by her two children Katerina Rozakis Trani and Antonios Rozakis and four grandchildren Antonios Trani, Sophia Trani, Matthew Trani Spyros Rozakis and great grand daughter Hiba.

She was devoted to her family and had many wonderful friends. She was the glue in getting people together. She helped so many people in so many ways. She was the life of a party. Full of energy , fearless and assertive.

Sophia had a voice of an Angel. She and her spouse Spyros sang daily to her family and entertained themselves and friends with impeccable ball room dancing. When they danced or sang everyone sat down to listen or watch.

She will be, greatly, missed. Her green eyes were the window to her soul. She was hard to resist. Young at heart forever.
