“ *It breaks my heart to just discover what happened. I hope your sweet soul is resting in eternal peace and I cherish the memories we have together. You may be gone but you will not ever be forgotten.*

“ *My heart is broken. I keep thinking you're going to walk through the door for \"girl's night\" with Cora. She misses you terribly. There is a hole that we'll never be able to fill and I guess that's ok. I love you baby, and I wish that would have been enough. I miss your beautiful green eyes and wish to God I could hug you one more time. Just one more time. I love you more and forever. Momma*

“ Steph, Today was your celebration of life. There were so many people in attendance who love and miss you deeply. I wasn't able to get any meaningful words out loud to anyone but I was talking with you the whole time. The last time I saw you was at the Jetty last summer; we hadn't seen each other in a while before that, but you met me with a genuine smile and we talked like we hadn't missed a beat. Being friends with you was such an effortless thing because you had a way of making people feel special. Someone today said you were always able to take away a lesson from any situation. I hope you know those lessons will stay with those people forever. I'm gonna miss you, Smeach. Duke

“ I miss you so much. I can't even write into words right now. I love you Steph. I know you wouldn't want me to be sad, you'd be saying "paulieeee stop this isn't goodbye, we have so much to talk about soon"ugh. You were my best friend. Idk how I'm going to go to Jing Do with out you now. I will be talking to you ever night hoping you will be listening. ❤️ I have so much more to say. Love you Stephanie. - Paulie

“ A year ago this time, we went to my family reunion at Deep Creek Lake. You met my whole other half of the family and they LOVED YOU SO MUCH. They were so happy to see I had such an amazing, beautiful, happy beam of light to call my best friend. We have SO MANY years of memories and adventures together and I'm so happy to have known you and to have been apart of your life. I miss YOU SO MUCH ALREADY. I will forever miss you and you'll continue to be in my heart forever. I love you Steph. 🙏❤️ Enjoy the afterlife and Rest In Peace. 😔😘🥰💕
