“ My deepest sympathy to the Archibald family, I was so sorry to hear of his passing. Steve was born on the same day, in the same hospital as my beloved oldest brother Benjamin. Needless to say they celebrated many Birthdays together. But more importantly when Steve was in FL or when Ben was battling cancer Steve always made sure to reach out to Ben and wish him a Happy Birthday. God Bless his kind gentle soul. “ There are no words to express how much I’m going to miss you, how much Bri is going to miss you. I wish it didn’t have to be like this, I wish we had more time. But God seen you were tired. Tired of fighting and in pain. I have so many memories that i will hold dear in my heart. Teaching me how to fish, when i used to color your toenails when i was little, with crayons while you were sleeping and hearing you laughing when you had seen that i did. Taking me to Windfield Farms to see the horses. Your love for all animals. How much you loved Bri and Aiden and all your great nieces and nephews. I love you and promise to keep your memory alive! RIP daddy!
