“ *Wishing we would have had more time, Dad. Also wishing we would have made more of the time we did have. I'm still working on our relationship and I know you understand. I'm still trying to figure some things out and find you in the midst of it. I love you and I miss you.*

“ *I was 12 years old when we met. We had some good years together and some not so good ones. LOL We created a beautiful daughter together and I will always be thankful for that. You were a good man and you will be missed by your family and friends. Rest easy with your wonderful mother and Jesus.*
