“ Steve and I worked together at Abbey for many years. We also kept our boats at the same marina and spent many evenings fishing together. More recently since his retirement we had our hour long weekly phone call discussing sports and politics. Steve was well read with a quick wit. I enjoyed laughing and bitching with him. I miss my friend!!

“ Couz and I were close friends and classmates at Marley Junior High in 7th, 8th, and 9th grades. We went to different high schools and lost touch. Out of the blue he called me in 1981 and invited me to go tubing with him and Jim Slechta. We had a great time. Years rolled by and again he called me out of the blue about 7 months ago. We talked for close to two hours. It was a wonderful talk and made me realize how, although people lose touch, friendships never end. R.I.P. Couz. Mike Folger

“ Sadly my memories of years past are scant but Steve is one who stands in my mind loud and clear. Beautiful heart and loving spirit. I wish we had stayed in touch. 💜

“ Acquaintances become friends, friends become family and family is forever. Sad to hear of the passing of my brother, Couzy. Countless great memories from Suburbia flashing in my head seeing so many familiar names paying respects. Mom & Dad have moved on from Suburbia too, but their \"House of Love\" just happens to be in your new neighborhood. Stop in, sit a spell and reminisce. I'm sure you'll be met with a smile, a hug, and even your one of your favorite grilled cheese & sweet tea lunches. RIP Brother. LOVE & MISS YOU

“ The Mayor of Suburbia and my fellow wirehead! You were a good freind to ride the river with! The hole left in my life with your passing will never be filled. We were freinds for 55 years-I'll see you on the otherside.

“ So sorry to hear of your passing. It's been a long long time since I've seen you. I can still see you walking the streets in Suburbia with the Grices. May you Rest In Peace. See you in Heaven one day. God bless your family in this time of sorrow.
