

Steven Anthony Jones

July 13, 1952 - April 1, 2023

Steven Anthony Jones, 70 years of age, born July 13th, 1952. He unexpectedly passed away April 1st, 2023.

He was a well-respected, selfless, handsome loving man. He would do anything for anyone if he could or try. He left this world leaving a fiance, Tracie Hignutt, a brother David Gent, a sister-in-law Laureen Gent, a mother-in-law Theresa Hignutt, two daughters Christine Hignutt and Stephanie Hignutt, four grandchildren Donnell Brown, Jr., Hailey Paige, Kayla Gent, and Daniel Gent.

Anyone who knew Steven Jones knew he loved the Ravens. He loved his tacos, chicken pot pie, eggs and toast, and most of all, his family. Oh, we can't forget about fishing, he loved him some fishing.

The angels called upon him. He is shining down watching over us. There is no more pain, no more suffering, and now he is resting peacefully. He is gone but will never be forgotten. Until we meet again.
