“ Steve was such a great guy with an amazing heart. I have so many memories of him at work but the best one is always going to be him dressing up as Santa. He will be greatly missed.

“ I have nothing but fond memories and appreciation for my interactions with Steve. He was always a thoughtful and participative gentleman in the office. His sincerity, his leadership, his care and concern were always present. It's a sad day that the world has lost such a wonderful person.

“ He was my first love, my husband, my children,s father, and my grandchildren,s grandpa....So many memories, so much traveling, so much living we put into the 25 yrs we were married. So many things we shared. The sweetest time I will cherish is the last 6 months.Caring for you was my pleasure, you and I both wished we had more time together, but the Lord needed you more. I will love you forever my Marine. Semper Fi

“ This is so heart breaking news. I worked with Mr. Steve at TAN. Such a big teddy bear and a stand-up man. He will always be our Santa Clause. I have missed him since the day he left us. Sending lots of love and prayers to the Ogden Family. He may be gone but never forgotten.
