“ I remember going to work at Pete's when I first met Sue she was my boss at Pete's. Even though she was cookin n busy herself I was doin dishes n when I got confused about something she was so calm and helped me get through .25 yrs.later she befriended my wife as a bus aid and I was reintroduced to her and the family. She,and all the family treated us as if we were part of the extended family and that meant so much to me as I moved here from out of state yrs ago and no family here so I love you Sue and will never forget your kind and sweet way u always treated us 📞 .So grateful 🙏 your pain and struggle is over and in my mind I have a picture of you seated near our father in paradise pain-free forever.LOVE YOU ALWAYS.....Pat n Angie. “ From the day I met Sue Ann I knew I would love her always. Her family (Mom and Pete) go back decades for me since the early 90's when we cruised together. Then Gerri and I have stayed friends and share our lives, messages , cheerful mornings and my favorite memories of Sue Ann are the years of family gatherings and party times together at Ms Gerri's home. Sue always got me up dancing, singing and made Leon and I feel like family. She will always be a beautiful memory in my life and I will miss her smiles, hugs and laughter when we visit Ms Gerri's house. R.I.P. sweet Angel here on Earth. ❤️🙏
