“ Kevin, So sorry to hear of your loss. I cannot imagine losing both your parents so close together. I always liked Sue and Ken. I can still hear your mom's laugh. It was so infectious. Both Chris and I will keep you and your family in our thoughts and prayers. Debbie Dacre.

“ Sue was energy. She loved life, Kenny and her family and family and friends. Mom (Aunt Ceil) and I are sad. Mostly our hearts go out to those left. So Jim, Bonnie, Joann, and Chuck I know how it hurts to lose a beloved sister. Kevin and Candi, I can only imagine losing both parents so closely to one another. May she be in peace now Love to you all.

“ Sending my sympathies to the whole family. I will always remember bowling with Sue, and when ever she would get a mark, she would give us that little swoosh with her finger. May she rest in peace with her late husband. Sending you girls my love and thoughts.

“ Sister-Sue was one of the sweetest people that I ever met through JoAnn. I enjoyed bowling with her and laughing with her about silly things! My condolences to Sue's family.
