“ My beautiful sister in law. I wish I could be there Saturday with our family, know I am there in my heart. I know you are watching over us as we come together to celebrate your life. You meant so much to us and we all have a piece of your love that we will carry in our hearts forever. Your stories, your cookies the crafts and the times we spend together laughing and crying. I know your next journey will be in a beautiful garden that you can tend to pain free and with no worries. With beautiful skies to paint as you watch over us with the loved ones that left before you. You will always be in our hearts and memories. We've gained another guardian angel to watch over us . God bless you Susan Ann may you rest in peace till we meet again, love you always and forever ❤️🙏🏻☐
