“ In loving memory of my brother Ted Alexander Bryant, from your big sister Robin Bryant McClain, As I grieve and endure the pain of losing you ... knowing you'll always remain in heart. I'm so happy that Toynette and I were able to visit you on January 24, before the Covid -19 shut down. And even though your lung cancer was pretty bad at the time you were so happy and cheerful. I will always remember your smile and the kind way you talked about our family. Brother you will be missed. You will always be my 1 In a million. The zoom call the day before your passing was awesome. You got to see and feel the love that your family has for you and we got to hear your responses Love always Robin
