“ *Babe, I heard this on the radio as I was driving away from the hospital for the last time. I know it was you telling me you are ok now. I just always thought we would have more time. <https://youtu.be/FsclgtDJFXg>*

“ *Teddy Joe, my baby brother, I wish you were still here, I didn't get enough time with you. You were the sweetest thing and so funny. I just can't believe you're gone. The best thing is that you're with Mom, Dad and our 3 beautiful sisters. There was a cardinal, practically on my shoulder the other day and I knew it was sent by you. Gone but never forgotten ❤️🌻*

“ *I want to say I am grateful for the opportunity to pray with Ted during his last minutes here before he entered into the Portals of Glory, Ted had a Big heart and he would have literally gave anyone the shirt off of his back, may he rest in peace*
