

## Teresa Louise Jackson

August 16, 1960 - November 14, 2020

It is with great sadness that the family of Teresa “Terry” Louise Jackson announce her passing on Saturday, November 14, 2020, at the age of 60. Terry passed away at her home, with family by her side.

Terry was known for her outgoing personality, love for animals of all kinds, quick wit, great sense of humor, and how she made friends everywhere she went. She enjoyed spending time with and talking to family and friends, caring for her pets, relaxing by the pool, reading Stephen King books and comics, doing crossword puzzles, and playing Words with Friends. She also shared her love for food such as Maryland crabs, BBQ shrimp, and homemade lasagna with her family.

Terry is survived by her best friend and husband of 39 years, Tarry Jackson; daughter Jennifer Jordan and her husband, Jay Jordan; daughter Jeannie Gaffigan and her husband, Bobby Gaffigan; and grandchildren Elizabeth, Daniel, Landon, Emily, Madison, and Michael. Terry also leaves behind her loving mother Faye Drain; brother John Drain and his wife, Stacy Drain; brother Donald Drain and his wife, Kathleen Drain; and beloved pets Booger, Prissy, Chloe, George, and Jerry Lee. Terry was preceded in death by her father, Johnny Drain; and granddaughter Savannah.

In memory of Terry, put your toes in the ocean every chance you get. She

loved the beach.

In lieu of flowers, Terry has asked that you plant bulbs in your own yard.

A private memorial ceremony will be held for immediate family.

Our lives will not be the same without you. We will carry your memory in our hearts, Always and Forever.

“ Terry and I worked at Best Buy back in 2010-2011 and she was always very kind and nice to me. At a time when I was very shy and distant, she would always be at work with a big smile and loved talking with people. I will miss her dearly.

“ I met Terry at best buy were we became best friends. We have been friends for 20 plus years. We could talk to each other about anything and we were always there to listen to each other no matter what the problem was. I am going to miss you. I love you like a sister. I know you are at peace now and are not in anymore pain. Love Mary
