

Terry Lee Holley

August 24, 1957 - February 7, 2024

Mr. Terry Lee Holley, 66, went home to be with the Lord, having passed suddenly and unexpectedly on Wednesday, February 7, 2024. Terry was born in Panama City, Florida but with his military family, he lived all over the world finally settling in Austin, Texas where he attended and graduated from the University of Texas in 1978. He would later move to Louisiana, Alabama, Pennsylvania and finally Maryland but his heart never left Texas. Terry was a devoted husband, father, papa, son, brother and friend. He was dearly loved and we are heartbroken at his passing.

Terry is survived by his wife, Beth, his two children, Sam and Emily, daughter in law, Brittany, son-in-law, Justin and two grandchildren, Azura and Thatcher. He is also survived by his father, Robert, brothers Chris and Dennis and their families.

More than anything, Terry would want to share God's plan of salvation by grace, through faith in his Lord and Savior Jesus Christ, who was born, crucified, buried and raised from the dead for the forgiveness of sins so that anyone who believes in Him may have eternal life (John 3:16).

A service honoring Terry's life will be held on Saturday, February 17, 2024 at Crossing Community Church, 80 Lower Silver Lake Road, Newtown, PA. Visitation begins at 10:00 with service to follow at 11:00. Terry will be interred at Traveler's Rest Cemetery in Samson, Alabama where he will join his beloved mother, Mary Sue, who preceded him in death.

“ I will miss Terry dearly and am so very saddened by his passing. He was a close, loyal friend for the past 15 years and I am so grateful to have known him. I always appreciated how he was such a great listener, would always help out when in need, and cared deeply for those close to him. In hard times, he would provide the strongest of support and care. I will forever have fond memories of our friendship.
Rest in peace, my dear friend.

“ One of my favorite pictures of us. Happier days! Terry was so many things and life was certainly complicated but he was so thoughtful, loving, kind, generous and man, did he love his family. We are going to miss him dearly.
