

## Terry Ann Pfeifer

December 19, 1966 - March 5, 2026

Terry Ann Pfeifer, 59, of Glen Burnie, Maryland, passed away on March 5, 2026. Born on December 19, 1966, Terry lived a life centered on love, family, and quiet strength.

Terry dedicated many years of hard work as a head night stocker at Safeway, where her reliability and dedication never went unnoticed. She approached her work the same way she approached life—with care, commitment, and resilience.

Above all, Terry was a devoted mother. She is lovingly remembered by her children, Brandon Pfeifer, Jacob Pfeifer-Tormollan, and Sydney Pfeifer-Tormollan, as well as her daughter-in-law, Rebecca Pfeifer. She is also survived by her beloved aunt, Margaret Tormollan, whose companionship and shared memories meant so much to her. Terry's loyal dog, Toby, was also a cherished part of her life and brought her great comfort and joy.

She is now reunited in rest with her father, Charles, her mother, Mary, and her sister, Joyce.

Terry found happiness in life's simple and meaningful moments. She loved traveling with her aunt and children, creating memories that will be treasured forever. The ocean was one of her favorite places—especially trips to Ocean

City and Myrtle Beach, where she felt at peace. She also enjoyed cooking, caring for others through the meals she made, and had a special love for dogs especially Dachshunds.

Known for her kindness and selflessness, Terry was someone you could always count on. She put her children first in all things and gave her love freely and unconditionally. Her warmth, strength, and caring spirit will be deeply missed by all who knew her.

In accordance with her wishes, Terry was cremated.

Her memory will live on in the hearts of her family and all those whose lives she touched.
