“ *Mommy lived an amazing life, even though the journey was tough. She bought love and light everywhere she went. Or journey wasn't perfect, but I understood her discision as I matured. She won't let me cry, even in death. EVERYTIME I start, I hear her voice, \ "what you crying for!? I'm good! Now go on and live. I love you princess. \ "*

“ *Theodra (Peanut) was one of the nicest person I had a pleasure to meet. She each time I saw her was enjoying herself and always laughing! She was kind hearted and just a pleasant human being. Her journey is finish here but a new one begins in her internal home with her Lord and Saviour Jesus the Christ.*
