

Theodore Allen Jones Sr

January 3, 1945 - May 6, 2026

Theodore Allen Jones, Sr, 81, passed away from complications of dementia and cardiovascular disease at his home in Bowie, MD on Wednesday, May 6, 2026. He was born in Augusta, GA in 1945. Ted was predeceased by his parents Dewey and Margaret Jones and brothers, Dewey and Henry. He is survived by his wife Susan and his dogs, Jojo, Yoda, and Doc who were with him to the end. He is also survived by sisters Bettye and Sarah, his children Allen (Julie) Jones, Mike (Anastasia) Jones, Laurie (Donald) Duncan, nine grandchildren, and multiple great-grandchildren.

Ted was adored by and adored every animal he ever met even if people were a little unsure of his gruff persona, but those who knew him, knew he had a kind and generous heart. He never hesitated to help someone in need. He also had an uncanny ability to fix engines or anything mechanical. Ted was often found up to his elbows in grease or pets or both.

Final plans are incomplete at this time, but feel free to donate to the animal rescue of your choice. Do not plant a tree. Ted did not like trees.
