“ Teddy was good friends with my Dad, Butch. He even worked for my dad's construction company for a bit. I was a little kid back then but the family kept in touch with him over the years. We are also friends with a few of the KMC, although most that my Dad knew have passed. Heaven has gained another rider. I send my condolences to his family, and pray you can find some peace knowing he is no longer sick.

“ *Teddy was always a good friend, he was also a part of my son's life growing up. Teddy was always there for me in a time of need. I watched Theia and Alie grow from little girls to wonderful adults. I only wish we would have had one more day to spend together fishing that hot summer day. I will always carry a special place in my heart for the man I called my Theo*
