“ *Mom, you will truly be missed. Even though we didn't always see eye to eye you were always there for me. I can't believe in the short time you've been gone how one person can turn others against me by lies.. And your not here to prove them wrong. But I'll be fine. And the kids will be too, I know you were worried about that. I love you always, and the boys do too. I did all you asked of me, and I'm glad that your now at peace and no more pain..*
