“*Mrs. Theresa was one of a kind and I will miss her dearly. She use to alway lift me up with her kind words and wisdom. I remember her always dancing to \“Last Christmas \” and me and her would cut a rug right in the middle of the warehouse. I loved her smile because it would light up any room she walked into. She was my calico mother before I knew her and once I met her at 9, were bonded and family forever. Myself and my dad James loved her very much, she wil be truly missed. Rest Easy now mama Theresa. “*Going to miss you so much mama. You taught me how to do so many things in life, but the one thing you didn't, was how to live without you. I love you.*
