“ Tommy and all the guys in the fells point neighborhood always looked out for the girls in the same neighborhood. He was such a kind sweet loving person. Although he had his little bad side. But boys were boys, even after growing up, or should I say getting older. They think of themselves as being the cute young guys that they were. I've had the pleasure of being around and watching his and Cindy's son, (Little Tommy) being born and having him in our lives. My daughter, Heather and little Tommy have been friends for life. And will always be. Love and gonna miss you, Tommy. X/O. Tommy is on the left hand side.
