“ YES TONI WAS WELL LOVE BY ALBERTA AND KIERA TAYLOR BUT JESUS IS GOD 1ST, ONE SAME, JESUS GOD LOVED TONI Zechariah KJV Bible Not by might nor by power but by my spirit says the LORD and saw this scripture on CLC wall 1st got save single and I loved it but God get Glory and I know Toni is with my LORD and SAVIOUR JESUS now her Spirit is in JESUS GOD presence were I meet you again some day Toni and hug and love you RIP know I feel you and your Spirit is with me always and I never forget your beautiful SMILE, with me everyday. Keeping your son John and your mom Mrs. Alma and 3 brothers and family in my prayers. Truly I'm going to miss you set next to me and Kiera and you always had the end seat but day you not there I put the Bible in your empty chair to Honor JESUS GOD 1st and honor you 2nd Toni. I never had a close friend die like this at all but I call Toni my Bless Best Sister, Bless Best Friend, Bless Best BUDDY ever Toni. Toni look out for me like I look out for her and especially at CLC, we loved being together and in the same Van and Car riding to and form CLC on Sundays and Toni never miss a CLC services unless it was she could not be there. Toni loved going to CLC. Toni even introduce me to a bless couple been going to CLC for years and both became another bless friends and I had lunch with Toni friend and both them took me to CLC with Toni and took me and Toni and Kiera home after eating at Long Horn Steak House. I found out Toni died Feb 29, 2020 and when I got the call it was such shocking news about 5 pm just walk in the door with another friend that loved Toni and Sister from CLC call and told me so I would not be shock and shaken up on Sun, March 1, 2020 but I was in grief and by time I got to CLC I broke down at Sun Svcs and thank JESUS GOD 1st for my Pastor and wife who hug and prayed over me and Kiera that Sun morning. I never lost a friend like a sister to me this close and I just had let Toni meet another friend of mines that was born the same day Toni born Oct 7, same year, never seen 2 friends have the same birthday. We all had Lunch at Red Lobster last Oct 7 on both birthdays but never thought this would be Feb 29, 2020 Toni time to go and 2020 is Leap Year but God Plan is better than our plans and Bible is the truth. Trust in JESUS GOD and lean not to

our own understanding but just want to say how I love Toni and how Toni love me and my daughter Kiera like a 2nd Aunt to Kiera and gave us gifts and just supported all our celebrations for Birthdays and Christmas gave me and Kiera a candle but we keep it for to remember Toni and the bright light that Toni had and shared with us because of JESUS love her and Toni love me and Kiera, Birthday gifts, cards and Kiera 8th grade graduations and Toni met Kiera 2 grown brothers and name Sammy and Jordon and really just knowing Toni was enough because of her love and prayers and support was better than anything and oh how I going to miss Toni at CLC and going to the alter with Toni when she would always ask me even when I was trying to make sure Kiera was ok, I would say Toni go to the alter because I don't want to hold anyone back with their own individual walk with JESUS GOD but as soon as Kiera was ok I would go with Toni to the alter and we pray and Kiera be with us at the alter pray with us both to. Even now I miss her and today I had to write a Memory for her needed to be done earlier but no service right now. Since no service and just found out another person as a coworker pass and just did his memory for him. Today I said I'm going to say something about my very bless Sister Toni. I met Toni at CVS with my Twin sister years ago 1999 buying hair products, Toni came to CLC and we all set together on Darnestown RD, CLC Sam and I got married at. Then I lost touch, saw Toni set at Chick fillet in Kentlands MD 2 years ago and I ask her Toni was she going to church and Toni say no, I have no ride. I told her about CLC Van and introduce her to Van Driver at time when she paid a taxi about \$30 to come that 10am morning services only and you know Toni love JES
