

Tracy Elizabeth Curtian

January 2, 1973 - April 8, 2021

Tracy Elizabeth Curtian born on January 2, 1973 unfortunately lost her final fight, after overcoming everything thrown at her she was still not ready to give up. On April 8, 2021 with her husband and children by her side, after days of her hardest fight she went to be with her late parents, Charles and Barbara and her late sister Amanda. Tracy was a loving wife to her husband Edward Sr. for over 30 years, the best mother/best friend a kid could ask for to Sarah, Mattie, and Edward Jr. The greatest Mommom to Savannah and Carter. An amazing little big sister to Charles and Becky, And the best T.T. in the world to Noah, Charles III and Avery. She was also a very loved mother in law to Meaghan, David and Jake, and loved them like her own. She fought as hard and as long as she possibly could and knew her entire family was behind her. Ang, stay gold. Her family would like to thank everyone for their prayers and well wishes. A memorial will be held at a later date, when her children have had time to process her loss.

“ Well mom, Thanksgiving is 6 days away. I would like to say it doesn't bother me anymore but that would be a lie. I hate that you're not here to celebrate with us. \"Celebrate\" has just become a word for me anymore. You've been gone for 1,324 days and I still haven't processed what happened nor have I properly grieved I really don't think any of us did. We're all barely hanging on but we're all hanging on together. You've missed so much and it makes me so sad. Your first and only Granddaughter turned 18, she is still as amazing as she was when you were here. Carter, WOW you thought he was smart before you would be amazed now! He's in school and is the sweetest boy I've ever known. Mattie got married!!!! Eddie has a new girlfriend and got himself a puppy! He also just moved into a new place. Me, I'm here.... waiting for the \"it gets easier\" part. I'm honestly dreading Thursday, every year I break down multiple times. Most of them are out of nowhere, the rest when I'm making your favorite foods like mommoms Macaroni Salad, my ambrosia and green bean casserole. I'm rambling at this point. I don't know I guess I just wanted to talk to you. I love and miss you SO MUCH mom, we all do. Do me a favor IF you do actually hear when I talk to you, go see Daddy. SOMEHOW let him know that everything is okay. He hasn't been the same since you left. I love you mom I'm gonna go now. Love your SugarBoogies 💜🦋🐾

“ We met in 6th grade and instantly connected. You were the sister I didn't have. You were my best friend, my confidant, my partner in crime, my sister. We shared everything. The birth of our children, death of our parents, the most prominent moments of our lives. We were so intertwined. I miss you more than anyone will ever know. I have never found another friend like you nor will I ever. My heart still misses and aches for my friend. I'll see ya again sweetpea, I love you.

“ 1,258 days without you. 1,258 days with a piece of my soul missing. 1,258 days of feeling lost and alone. 1,258 days of constantly being on edge. 1,258 days of worrying about Mattie and Eddie. 1,258 days of me trying so hard not to lose it. 1,258 days of a pain and emptiness I can not even begin to explain. 1,258 days of questions. 1,258 days of the 3 of us trying to keep each other going. I love you mom to the moon and back a gazillion time's over! 1,258 days without you but I PROMISE I will keep it together and ALWAYS look out for Mattie and Eddie the best I can. That's the one thing you wanted was for us to stick together and we WILL and always have. I love you mommy.

“ Well mom, today is 977 days without you, ALMOST a thousand but it feels like a lifetime. I miss you so much the 3 of us need you so bad right now. We're all going through our own situations and don't really know what to do about them. I'm trying so hard to keep from breaking because I KNOW in my heart once that happens, it's gonna be hard for me to come back. I'll be 33 in 8 days although I'm sure you know that already, this will be the 3rd birthday I've had (I don't celebrate) without you here and it's really starting to mess with me. So much has happened these last 977 days, \n good and bad things. As always I will be here for Mattie and Eddie until my heart stops beating, I will love, protect, annoy, make fun of and give them advice whether they like it or not! I just wish I could take all of there worries, stress and pain away from them but unfortunately I cant. I can only be here for them. I love you Mommy, just wanted to tell you that.

“ Sarah I know that I drove her just as crazy as she made me but that's what best friends are for. I am so thankful for all of the memories that we had & its not all good memories but we always got past everything that was thrown our way. I know how much your mom loved me & I know that she knew how much I loved her. I just want you, Mattie & Lil Eddie to know that no matter what that I will always be here for the 3 of you.

“ ANGELA DENAE VERNON..... I LOVE YOU SO MUCH BUT NOT AS MUCH AS MY MOTHER LOVED YOU BECAUSE THAT TYPE OF LOVE IS IMPOSSIBLE! You were SO MUCH MORE than her cousin, you were her BEST FRIEND in this ENTIRE WORLD. You were always here for her even when she drove you crazy (right agg) she was able to go KNOWING you will ALWAYS be here in the same way for her kids!! I love you so much, more than you honestly know! Thank you for ALWAYS being the Thelma to my mother's Louise!
