“ Hey mom, \nIt's been 5 years to the day since heaven received a new angel to watch over us. You are missed and love endlessly. You would be proud of the man Brandon has become. I know I am. It's never goodbye but I'll see you later i love you and carry you with me in my memories and heart.

“ Omg so sad to be reading this. We were very close back in the day. We grew apart as we got older. Know she was always nice and we never had a dull moment with her.

“ There was never a frown on your face. No matter what you went through in life, you always had a smile on your face. Im going to miss that smile and that laugh!!! I'm going to miss our early morning talks, especially you cooking spaghetti at 7am because you were hungry. You could always light up a room and make everyone laugh, I'm going to miss you so much. You were loved by many and you will always be loved my dear cousin. I love you and I miss you so much. You always had my back and I know you still do. Keep an eye out and protect the Family, I love you.

“ My very first bestfriend I cant put into words how very heartbroken I am. Whoever said it gets better with time is a liar because this hurts like the very first day I swore you were gonna come out of this I was counting the days down for you. Praying you would just hold on. I just wish I could of saved you sister. I wanted to scream save her someone just help her when I walked in that room that night. You took a piece of each and every one of us when you left us. Now who will I yell at? Who is gonna drive me crazy with crazy stories and as much as I tried I couldnt hang up because you wouldnt stop talking. So glad you kept your goofy personality these last few weeks Im glad I was able to spend time with you and that very last deep conversation we had with each other right before you demanding a chicken box from hiphop chicken. I will never forget you asking if you were gonna die and than you crying for like 5 seconds than saying beam me up scotty. You were definitely one of a kind. You will forever be missed. You will forever be loved and never forgotten. Love you forever. ❤️Tricia
