“ I'm very sorry to hear bout Tristan's passing. I went to school with him and though we belonged to different \"social circles\" Tristan and I got along great. Smart, witty, kind and honest. That's the Tristan I remember. I hadn't seen him in years and randomly last year we ran into one another and it was good times, as always. You were a great man bud.. May God give His guidance to your family during these trying times. I'll never forget you brother.
