

Vernetta Lynn Fountain

November 9, 1989 - March 5, 2020

Vernetta Lynn Fountain

The daughter of Vernon (Deceased) and Kathy Fountain.

Vernetta, who was affectionately known by her family as “Nette” was a beloved daughter, granddaughter, sister, mother, niece, cousin and friend. God decided that it was time for Nette to come Home and she heeded His call on March 5, 2020.

Nette had an infectious, beautiful smile that was louder than words she spoke. When Nette laughed, there wasn't a straight face in the room. Though she was the silent type, she showed her love in many ways to those who knew her best. Nette possessed a beautiful voice and loved to cook. She desired to have her own food truck company and was attending Auguste Escoffier School of Culinary Arts for Culinary Arts/Restaurant Management.

Nette loved laughing with her mother, children and siblings. Though she was not a person of many words, it was always a great joy to know she was near and present. Now Nette smiles and laughs alongside our dear sister “Trice”, her father Vernon and our other dear loved ones who await our return ‘Home’. Vernetta leaves to celebrate her life and memory, a loving and devoted mother, Kathy Fountain, her loving children, Jason, Naomi, Isaiah, Arnette and Michael. Additionally, a brother, Charles Murray, surviving sisters, Charlotte Castillo and Crystal (Patrick) McClam to embrace the memories of our loving baby sister and our special individual bonds we had with her.

Vernetta is survived by her grandmother, Margaret Fountain; aunts, Gloria

minus, Dottie Bradley, Veronica Fountain, Cheryl Fountain and a host of nieces, nephews, cousins and friends. She is proceeded in death by her father, Vernon Fountain; sister, Vertrice Fountain; grandparents, William and Katheryn Deputy; and great-grandmother, Ceola Harrison.

We love you Nette, Always & Forever!

“ *To the Fountain/ Murray family, First allow me to offer you my most heartfelt and sincerest condolences. Nette was a rare gem that loved in such a special way. She spent her time here searching her deepest feelings for things you and I take for granted. She was super.talented and never failed at getting a job to showcase her talents. Although I've known her for many years, she remained a woman of few words. Anyone who knows me is familiar with my fascination for butterflies and with that being said, \"Fly beautiful butterfly, fly and thank you for allowing us to share in your beauty\". May God continue to bless your family and grant you all \" peace that passes all understanding. \" Humbly and Lovingly submitted, Ms. Haze*

“ My baby, baby, baby sis - my \"Puddy\"! I couldn't possibly sum up my unconditional love for you in several sentences, but you know how much big bro loves you. From your beautiful voice, to you Kathy-esque cooking skills (\"Earthquake Cake\"), you were a wonderful young woman with immense talent. When we meet again in paradise, I'll look forward to your patented one armed hug and your infectious laugh. I miss you and love you always Nette...
