“ I had the honor of being in Vernon and Teresa’s wedding. I will always remember when they did the apron dance and everyone was grabbing Teresa and dancing with her. She was a tiny little thing and was getting tired. Vernon went up to her and swept her off her feet and carried her out of the hall. That was love !!! He and my husband joined the Marines the same time. Thank you for your service and you will always be remembered. SEMPER-FI

“ I am so lucky and blessed to have the pleasure of getting to know uncle. Uncle always knew how to make everyone laugh... I remember going to one of Drew's baseball games that was about 45 mins away... he drove me all the way to that game just so we could both go and support because that's the type of person he was... i laughed that whole car ride... I am so honored that I got to know and be apart of this family... love and miss you dearly uncle ☐-

“ Dad, you have always been my hero. You have saved my life in so many ways. Not a thought goes by that doesn't make me think of you. I'm so glad to have had such a strong bond. You'll always be my person. I loved working on the cars with you and helping you cook. I'll never forget you taking me to get my first tattoo or bringing hot cocoa to me and Janetta at the A7X concert. You're the best father ever. I will never let your memory or spirit die, I promise!! I love you.

“ There are so many memories I can't mention them all but one of my favorites is the day you came home from desert storm and out of the sea of marines my little self found you first ... I love you dad and I'm so thankful you were able to meet Grayson and Gwendolyn they have so many amazing memories like making reindeer with poppy for Christmas. Can't forget the crazy things you and Julian would get into together.

“ Vernon was only 8 when I met him and 10 when I married his brother Ed. Such a cutie! I was honored to have him as a little brother, even if he was spoiled rotten! We went through ups and downs over the years but he was there for me and I hope he knew I was there for him! Love you Vernon! You will not be forgotten! 😊❤️ Give Ed a hug for me and the boys!
