“ Vernon, \nI'm Lost For Words Right Now \nFirst And Foremost I Would Like To Send My HeartFelt Condolences 🙏 \nIt Was Such A Pleasure Working with You On The Starpoint Tour. You Were Always Very Stern w Me Yet Respectfully Protective Which I Admired. Anything That Anyone Needed It Was Never An Issue You Took Care Of It. \nI Wish I Had A Chance To Speak With You Again Before Now .\n\n My Prayer Is That You Are Now Dancing In Heaven and Amongst The Stars As You Were Here On Earth\nYou Will Be Missed 💔💔🌹🙏

“ I'm just finding out Vernon passed. He was very skilled theatrically and this is why I hired him as stage manager for a Starpoint tour with Morris Day. His career then turn to Whitney Houston Production Manager which made me very proud of him. When he got sick from Covid and had to learn to walk again let me know how bad his health was. Now Vernon take a Bow because you deserve a standing Ovation. Peace,Love n Happiness. R.I.P.

“ I remember when I temporarily moved to DC from the Peace Corps wanting to reach out to family. You were present and gave me great encouragement to lean on God. It was you and your brother's toughest time at the home. Your faith in God and optimism never failed. I am grateful for your encouraging messages via FB and txt. We also had great times at the family reunion growing up. Family reunions will not be the same without your smiling face. \n I know that despite of the tough times you are sitting in Heaven with the Lord. Love you always
