Victoria Lynn Gray , 31, of Glen Burnie, Maryland passed away suddenly on October 7, 2024.

She was born August 2, 1993 to Timothy Earl Geoghan and Deborah Lynn (Deardorff) Geoghan. She graduated from North County High School in 2013. Victoria enjoyed drawing, playing video games, playing with her two boys, a wif as a cashier in the foodservice industry and recently developed a passion for traveling with her extended family.

On April 23, 2018, Victoria married Dorian Riley Gray Jr and from this union had two beautiful children Liam Erin Gray and Luke Owen Gray. Victoria and Dorian homeschooled their happy boys until they recently became school aged and diligently established them in school. Victoria was a beloved wife, mother, sister, aunt, daughter, daughter-in-law, sister-in-law, friend and a very amazing woman.

Three years later she became a big sister to brother Zach. She loved playing pretend and making up games with her sister and brother. And after highschool, the twins continued to work together in the foodservice industry.

Victoria and Dorian met in High School. In 2016 they talked for a while on Facebook and they just hit it off and fell in love. After they married, they worked together in the foodservice industry and a year later in January 2019 she gave birth to their first son Liam and a little over a year and a half after that in August 2020 their second son Luke was born. In 2021 she was the first person to know about her sister Kerri and brother-in-law Kevin's news that Victoria was to become an aunt. In June 2022 she became the best aunt ever to her nephew Kai. Victoria was shy but it never stopped her from making new friends anywhere she went. When she was a kid and learned how to hold a crayon she drew and colored all the time with her sister. As she grew up, she loved to play video games, cosplay and so much more. Her favorite video games growing up were the Spyro games and Crash Bandicoot Warped. Then later in High School, Minecraft and GTA 5 took over as her favorites. Victoria loved playing Minecraft with her sister, brother and best friends Courtney and Amber. Her favorite cosplays she did were Hinata from Naruto, Shu from Diabolik Lovers and Grell and Sebastian from Black Butler. In 2015, at a large anime convention called Otakon in The Baltimore Convention Center, she met her favorite anime voice actor J Michael Tatum who voices Sebastian in her favorite anime Black Butler. And recently she traveled via trains, planes & cruise ships.

Victoria always loved family. She was joyful, fun, dependable and ready to help and support. Gift-giving was her favorite, with a big heart she always tried her best to find her friends and family the best gifts ever and she always did.

Although you are no longer with us Victoria, your memory is engraved in our hearts and minds forever. Bye Buddy. Forever & Always ??
