“ To the family of Victoria; Please accept my sincere condolences on your loss. Victoria was a very thoughtful and caring person. I have such fond memories of our chats when I would deliver packages to her home. She was always so giving whether it was a new baking recipe she'd made and wanted me to try or the beautiful flower arrangement she made me one Christmas - just always so appreciative for the job I did and I will never forget that or her. May she rest in everlasting peace.
