“ *I'm so sorry for your loss. May he rest in peace. I basically grew up with the Dominick Clan since I was in 5th Grade onwards. Vince's sister, Rose is my friend. I just remember Vincent always seemed like a sweet kid, who was willing to help out his parents or siblings. He always seemed to be happy, smiling, and having fun. It seems like he pretty much stayed the same way his whole life, which is remarkable, in my opinion. My heart goes out to his wife, daughter, grandchildren, siblings, and all of his other loved ones. Hugs to you all.*

“ *As soon as you see his picture, I bet every one of us can hear that laugh!
I'll miss seeing Vince, just moseying along, cool as a cucumber.
He was always stopping by The Lot to check on my Dad and say Hi.
He was a cousin you could count on. He is loved by many & will be very missed. I hope that his wife, daughter and grandsons know that we are all just a phone call away. Rest peacefully, no longer in pain.
