“ Uncle Buddy and I was living at GG Mom's and GG Pop's. I was pregnant with Angel. I woke up thinking I was peeing myself lol. Vonda was asleep on the couch. Instead of waking Uncle Bud, I woke her up and she didn't even skip a beat. Popped right up and just talked me through, timed my contractions and called the ambulance. I swore I wasn't in labor but she convinced me I was. I had Angel that night. She was the best. Always calm and always made me laugh. We had a lot fun times. She will be missed. ❤️❤️
