“ Hey Pops, I don't even know where to begin, there's so much to say and no time left to say it. You were one of my best friends and had such an impact on who I am today as a carefree, kooky artist. I looked forward to our random phone conversations; zombies, cryptids, mountain monsters... I never knew what topic you'd come up with next but it never disappointed. I will always treasure those conversations and miss them more than words can express. I love you so much, thank you for being my one-of-a-kind dad. PS- Ralph says \"A Bloo Bloo Bloooo!\"
