“ Son, I miss your phone calls, your face, voice and sweetness everyday. You will always be with me until I see you again in heaven because I know you are there. You have sent us signs that you are with us each and every day. Love you forever and your Brother Craig is taking good care of all us, dad, me, Kailee, Kirstyn, Bohdi, Bronson and Dustin. Love you forever Mom

“ As a DHS 84 classmate of Billy, I was deeply saddened to hear of his recent passing. Our class was 600+, and I counted a handful as good friends; Billy was one. We had several classes together and during those difficult years, made each day a bit brighter for me. As people go their separate ways over time, I often looked through my yearbook and thought of him fondly. I'm so sorry for your loss.
