“ *Why did I not know this page was here? It's been 10 months and I still can't believe you are gone. You would be so proud of our Children. They are all supporting each other as well as me, we are helping one another to learn to live without you in our World, and it is not easy. My Blessing is I can slip my hand into your realm and touch you and that gives me great Peace. I hope you are soaring through your new adventure, as there is no Death, just a change of Worlds. I love you always Babe. Your forever Wife and Friend*
