### In Loving Memory of William C. Mills

William C. Mills, affectionately known as “Bird,” passed away Sunday, August 31, 2025, after a long and courageous fight. Though he ultimately lost that fight, his strength, resilience, and his love for family never wavered. We will always remember Billy’s wit, his tenacity and his infectious personality. Billy always had a big heart and never forgot where he came from.

Billy attended Glen Burnie High School, where his passion for sports, especially basketball, began to shine. His talent on the court earned him the nickname “Bird,” a tribute to his favorite player, Larry Bird. After high school, he briefly served in the U.S. Army, then started his career in lawn maintenance. Billy took great pride in keeping lawns immaculate—he found peace in mowing, trimming, and transforming outdoor spaces into something beautiful. It was more than a job; it was a passion that reflected his care and attention to detail.

Billy’s life was defined by his love for family, sports & playing cards. Whether it was cracking a joke to lift someone’s spirits or lending a hand to those less fortunate, he lived by the motto: “Don’t forget where you come from.” His humor and warmth touched everyone who knew him.

He is survived by his two sons, William Mills & Michael Mills and four grandchildren. He is also survived by his mother, Susan Case, and siblings: Wiley Mills III, Debbie Hutt and Jerry Mills. His family was his foundation, and he cherished every moment spent with them. Billy was preceded in death by

his father Wiley Mills Jr., paternal grandparents Wiley Mills Sr. and Margaret Mills-Dodson, and maternal grandparents Hammond and Esther Smith.

Though he has left this world, the echoes of his laughter, the lessons of his fight, and the strength of his spirit will live on in the hearts of all who knew and loved him.
