“ My uncle is missed and this is truly a loss, however it’s with strength from the Bible's message of promises and hope. I will strive to walk for God’s approval and trust in the words of the Lord Jesus: “Do not be amazed at this, for the hour is coming in which all those in the memorial tombs will hear his voice and come out....” so that I can be there to welcome back to a life of peace void of pain and death my Uncle Willie. Until Then, Ree (Marie)
